Analysis:

IBM: IBM has seen a consistent buying trend over the last few days, with multiple BUY actions recorded. However, there have also been some SELL actions, resulting in a net increase of 9 shares in the portfolio.

TSLA: Only a single BUY action for TSLA was recorded on 29/07/2024. No subsequent transactions have been made for this stock.

MSFT: MSFT has experienced both BUY and SELL actions, with a net increase of 3 shares in the portfolio.

Strategies:

IBM: Due to the recent bullish activity, it may be wise to consider holding onto IBM shares for potential gains.

TSLA: Given the lack of recent transactions, it is recommended to monitor TSLA's performance before making any investment decisions.

MSFT: Considering the mix of BUY and SELL actions, it is recommended to continue holding MSFT shares but closely monitor its performance for any significant changes.
